

APOLOGY

Dear
Esteemed Members,

We sincerely apologise that the bulk SMS sent last week in respect of the postponement of 10th MCPD Workshop/Induction/Fellowship Investiture did not get to some of you.

We have discovered that the service provider platform developed some sudden technical issues.

However, Announcement for the Postponement has since been on ICCON website for members to access as an alternative measure.

The new dates shall be communicated in due course.

We deeply regret any inconveniences caused you.
