

Governing Council

The Governing Council is the apex decision-making organ of the Institute. The Council thus makes rules and regulations by which the Institute is run.

The Council currently has four working Committees that carry out more specific functions on behalf of the Council. Resolutions reached by the said committees are subject to ratification by the Council.

1. Finance and General Purpose Committee
2. Education and Training Committee
3. Membership Committee
4. Regulatory Committee

Below is a list of the newly elected Council Members:
