

Membership Renewal

Annual Dues are applicable to all categories of members, except the Honorary Fellows. The dues for each category of membership are determined by the Council and are renewable annually.

Renewal of Membership

Members of the Institute are required to renew their membership by satisfying the criteria set by the Governing Council. Such criteria include the payment of annual dues and attendance to the Institute's Mandatory Continuing Professional Development (MCPD) training programmes. The minimum frequency of attendance at the MCPD programmes required for continued validity of membership is determined by the Council from time to time.

Members who have been formally inducted into ICCON are required to renew their membership by satisfying the criteria set by the council. Some of the principal criteria are:-

The dues for the different categories are as follows:
